REVISION OF MONTHLY MAINTENANCE FEE

Dear Residents of Rini Hills 2,

RH2RA would like to inform all residents that the monthly maintenance fee for Rini Hills 2 will be revised from RM80 to **RM100**, effective 1st January 2026.

This decision was formally approved during the 8th Biennial General Meeting (BGM) held on 29 November 2025. Based on the voting outcome, 93.3% of the members present agreed to revise the fee to RM100 per month.

The revision is necessary to ensure the sustainability of community services, security operations, cleaning and landscape upkeep included overall maintenance standards within Rini Hills 2. This adjustment will enable the Residents Association to continue improving the quality, safety and environment of our neighbourhood.

We appreciate your continuous support and understanding as we work together towards enhancing the well-being and harmonisation of our community.

Should you have any questions or require clarification, please feel free to contact the Management Committee.

THANK YOU FOR YOUR COOPERATION & UNDERSTANDING.
